OSBORN SCARE FAIR
2014-2025

2014 SILENT AUCTION JOURNAL
For three generations, and more than fifty years, the Grasso family has earned the trust of discerning Westchester clients by building unique homes that they would be proud to have their own families live in.

**That tradition continues today . . .**

They believe that building a home is an art. Their hands on approach, along with their talented group of fine artisans and local craftsmen, ensure that each project they take on will exceed the customer’s expectations.

*Please contact them to learn about the unique services they provide.*
